

*Campers sitting by an open flame
Miles and miles from ringing phones
Yuletide songs being sung by the game
And folks dressed up like Indiana Jones*

*Everybody knows that wildlife and some mistletoe
Help make a Christmas safari bright
Campers with their eyes all a glow
Will find it hard to sleep tonight*

*They know their guide is on his way
Bringing lots of adventure and thrills for the day
And every safarier is going to spy
As their tracker spots the game running by*

*And so we're offering this simple phrase
To all our friends both old and new
Although it's been said many times, many ways*

Merry Christmas to you!!!
